

FOCUS SIMULATION

4 WORKSHOPS IN ONE LOCATION

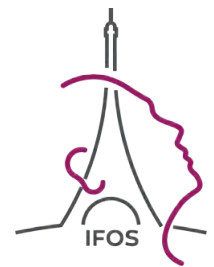

22 & 23 June 2017 /// Nancy - France

REGISTRATION

by email: marion.bernard@univ-lorraine.fr

Course fees: 1320€

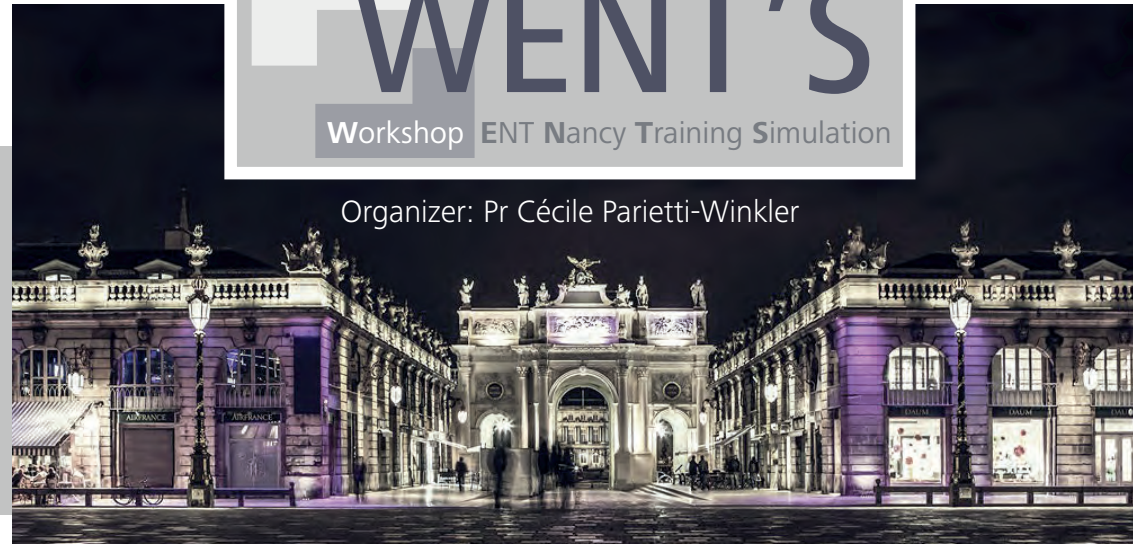

This amount does not consider the costs of travelling and accomodation which remain at your expense.

WENT'S

Workshop ENT Nancy Training Simulation

Organizer: Pr Cécile Parietti-Winkler

FOCUS SIMULATION

4 WORKSHOPS IN ONE LOCATION

What if simulation could be the training tool of tomorrow?

22 & 23 June 2017 /// Nancy - France

PRELIMINARY PROGRAMM - FOCUS SIMULATION

4 WORKSHOPS IN ONE LOCATION

#1 Otologic surgery training with simulation

Local organizer: Pr Cécile Parietti-Winkler

Pedagogic team: Pr Cécile Parietti-Winkler, Dr Renaud Beurton, Dr. Marion Varoquier

- Short theoretical introduction about otologic surgery training particularity
- Artificial temporal bone dissection
- Temporal bone 3D simulator (Voxel Man)

#2 Robotic Head and Neck surgery academic workshop

Local organizer: Dr Gilles Dolivet

Pedagogic team: Dr Gilles Dolivet, Dr Romina Mastronicola, Dr Patrice Gallet

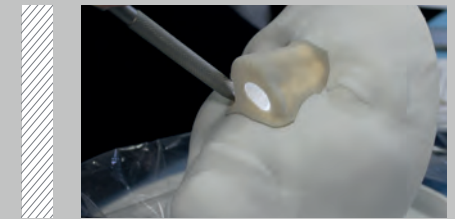

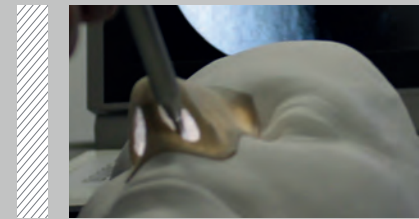

- Short theoretical introduction about robotic surgery and head and neck particularity
- Commented video of head and neck and plastic surgery
- 3D video training with adapted exercises
- Real training on anatomic specimen with the Da Vinci Si: oropharyngeal and pharyngolaryngeal resection, transpalatal and trans cervical approach with various dedicated instruments
- Micro surgery with dedicated instruments

#3 Simulation in endoscopic endonasal surgery: from technical skills to surgical approach

Local organizer: Dr Cécile Rumeau, Dr Patrice Gallet

Pedagogic team: Dr Cécile Rumeau, Pr Roger Jankowski, Dr Patrice Gallet, Dr Robert Stringini

- Cyrano T&S: not only for beginners!
- Basic skills (Cyrano T&S, egg drilling)
- Advanced skills on realistic simulation support: training to surgical approaches
- Endoscopic endonasal surgical challenge: test your talent!

#4 Efficacy of treatment implanted in hearing aids: settings and performance measures

Local organizer: Pr Joel Ducourneau

Pedagogic team: Pr Joel Ducourneau, Mr Stéphane Laurent, Mr Frédéric Rembaud, Pr Cécile Parietti-Winkler
